

INDEX OF ELEVEN SETH BOOKS

Version 2 (July, 2010) by Sue R. Williams

Index Format and Content

The 13 volumes (11 books) covered by this index are:

EP	=	<i>How to Develop Your ESP Power</i>
SD	=	<i>Seth, Dreams, and Projection of Consciousness</i>
SM	=	<i>The Seth Material</i>
SS	=	<i>Seth Speaks</i>
PR	=	<i>The Nature of Personal Reality</i>
UR1	=	<i>The "Unknown" Reality - Volume 1</i>
UR2	=	<i>The "Unknown" Reality - Volume 2</i>
NP	=	<i>The Nature of the Psyche</i>
ME	=	<i>The Individual and the Nature of Mass Events</i>
DE1	=	<i>Dreams, "Evolution," and Value Fulfillment - Volume 1</i>
DE2	=	<i>Dreams, "Evolution," and Value Fulfillment - Volume 2</i>
MA	=	<i>The Magical Approach</i>
WH	=	<i>The Way Toward Health</i>

To avoid the problem that different editions of the indexed books have different page numbers, the entries in this index do not contain specific page numbers – they contain session numbers, chapter numbers, appendix letters, etc. Sessions usually contain two to eight pages; chapters are usually 11 to 12 pages. Thus you will have to hunt through a number of pages to find the text to which an entry refers. Using substitutes for page numbers was necessary to avoid indexing every current and future edition of these books.

The substitutes for page numbers contain the following abbreviations:

App	=	Appendix --+ for example, AppA = Appendix A
c	=	chapter -- for example, c15 = Chapter 15
ESP	=	ESP Class Session
Epi	=	Epilogue
For	=	Forward
Int	=	Introduction
In1	=	Introduction 1
In2	=	Introduction 2
Int01	=	Essay 1
n	=	note at the end of the section
Pre	=	Preface
s	=	Session - examples are: s381 = Session 381 s1/05 = a session that occurred on 1/05/1984 (from <i>The Way Toward Health</i>)
